Track Event Information

Lane Draw

In track events with heats, athletes have been randomly drawn in heats with centres spread evenly across heats where possible. Lanes within heats have also been randomly drawn.

Where there are more lanes available than athletes in a heat the inside lanes have been left vacant.

For track events where only finals are conducted starting position have been randomly drawn.

Progression to Finals

The following athletes shall progress to the final in their event:-

2 heats – 1st, 2nd & 3rd in each heat plus next 2 fastest times.

3 heats – 1st & 2nd in each heat plus next 2 fastest times

Where insufficient starters marshal for heats, that event shall be run as a final at the time of heat. A revised random lane draw will be made for the athletes.

Where there is a tie in determining the next fastest times, the higher placed athlete in their heat shall progress. If the tie still remains, a random process with equal probability (e.g. a coin toss) shall be used to determine progression.

Lane Draw for Finals

Following the running of the heats, athletes shall be ranked on the following basis:

Fastest heat winner, second fastest heat winner, etc

Fastest 2nd place in heat, second fastest 2nd place in heat, etc

Concluding with:

Fastest next qualifier, second fastest next qualifier.

Using the rank determined above, a random draw of the priority lanes (4, 5, 6 & 7) shall occur amongst the top four ranked athletes and a random draw of the non-priority lanes (2, 3, 8 & 9) shall occur amongst the remaining athletes.

Region 3, 5 and 8.

These 3 regions have 2 zones in each region. In those Zone Championships (ie Western Plains, Western Ranges, Northern Metropolitan, North East Metropolitan, Southern Metropolitan, Inner City) finals in laned track events are to be made up of **8 athletes**, except in the following cases.

- If only 9 athletes arrive at the call room from entries to heats then the heats may be collapsed to a final of a maximum of 9 athletes.
- If after resolving a protest in an earlier heat an additional athlete is added to the final then this can result in 9 athletes being in the final.

Selection of next best performances

- Performances in heats cannot be considered in selection of next best performances.
- Performances from all competitors in a field event will be assessed for next best performances. This means that an athlete who does not reach the second round (or final 3 trials) may still perform a next best performance.
- Performances from all competitors in all events from 800 metres upwards will be assessed for next best performances.

Regional Championships – Multi-Class (Para) Athletes

Events for multi-class athletes are included in the Little Athletics NSW Regional Championships. These events are **direct entry**, meaning athletes do not progress from Zone to Region. Some Zones may offer events for multi-class athletes. Athletes must be made aware that if they compete at zone this does not mean that they automatically progress to the next level. They will still need to submit their direct entry to Regional Championships.

Enter online Entries close 11pm Monday, 9 December 2019. NO late entries accepted.

To Enter click copy the following Link to your browser

<https://eventdesq.sportstg.com/index.cfm?fuseaction=main&EventDesqID=33307&OrgID=914>

Proof of classification forms part of the entry. Little Athletics NSW will check all entries against the Athletics Australia Classification Master List which can be found at following link.

<https://www.athletics.com.au/get-involved-athletics/multi-class/>

If you are not on the Classification Master List please supply proof of classification to Little Athletics NSW, Locked Bag 85, Parramatta, NSW, 2124 or email admin@lansw.com.au or fax 02 9633 2821 prior to close of entries.

The Events

The following events will be available for multi-class athletes: 100m, 200m, 800m, Long Jump, Shot Put & Discus.

Event Selection

- U9/U10 can choose up to 4 events
- U11/U12 can choose up to 5 events
- U13/U17 can choose up to 6 events

NOTE: Athletes who are nominating to compete in the multi-class events at the Regional Championships may choose to also compete in able-bodied events at the Zone, Region and State Championships. Athletes, however, are **not** permitted to compete in both the multi-class and able-bodied of the same event. e.g. 100m able-bodied and 100m multi-class.

Age Groups

The events will be conducted in the following age groups: –

- U9 & U10 Boys & Girls
- U11 & U12 Boys & Girls
- U13 & U14 Boys & Girls
- U15 – U17 Boys & Girls

Format

All events will be conducted as multi-class events. Competitors will compete against a multi-class standard time or distance for their classification. Placings will be determined by the competitor's time/distance calculated against a percentage of the multi-class standard for their classification.

- Track events will be conducted as timed events.
- Field events will be restricted to three trials per athlete.

Direct Entry

Direct entry refers to the fact that the athletes competing in the multi-class events at the Regional Championships will not have been required to compete at the Zone Championships in order to progress to the Regional Championships. Rather, an entry procedure will apply.

- Competitors must be fully registered Little Athletes and compete in their 2019/2020 centre uniform.
- Entry **MUST** be done online (as above).
- A competitor may only compete in one age grouping.
- Late entries **will not** be accepted.
- Proof of the athlete's classification will be checked against Athletics Australia's Classification Master List, ***even if the athlete has previously competed at this event in past seasons.***
- Multi-class athletes who enter directly to the Regional Championships will be added to the program and will be included with centre qualifiers. Qualifiers will be advised to centres via email and social media.

NOTE: Athletes who are nominating to compete in the multi-class events at the Regional Championships may choose to also compete in able-bodied events at the Zone, Region and State Championships. Athletes, however, are **not** permitted to compete in both the multi-class and able-bodied of the same event. e.g. 100m able-bodied and 100m multi-class.

Rules & Event/Equipment Specifications

Multi-class events will be conducted according to the LANSW Rules of Competition (2019 Edition), including Section E. It is the responsibility of all athletes, their parents/guardians and their coaches to make sure they understand the relevant rules and how they operate. '[Rules of Competition](#)' at following link.

<https://lansw.com.au/rules-of-competition/>

Classification

All multi-class athletes who compete at the 2020 Little Athletics Regional Championships must have received at minimum a provisional classification **PRIOR** to the event.

Classification is a way of grouping athletes of similar function or ability for the purpose of competition. Classification exists to try and create a "fair" competition amongst athletes with different disabilities. The following disabilities can be classified for athletics and therefore be eligible to compete in the multi-class events:

- T/F 01 – Hearing Impairment
- T/F 11-13 – Visual Impairment
- T/F 20 – Intellectual Impairment
- T31-54 & 61-64; F31-57 & 61-64 – Physical Impairment
- T/F 60 – Transplant Athletes

See the [Little Athletics NSW Classification Guidelines for Multi Class Athletes](#) for more information about classification requirements.

For further enquiries, contact the Little Athletics NSW office on 02 9633 4511 or email admin@lansw.com.au.

Rules Regarding Protests & Appeals

- i. Protests can only be lodged by the centre's nominated Team Manager.
- ii. Protests must be lodged with the carnival Information Officer and no more than half an hour after the results have been posted. An amount of \$50 must accompany a protest.
- iii. The Starters decision is final, not even the Track Referee can overturn it. A protest lodged against the start of a race will be deemed frivolous and the carnival Information Officer should advise the Team Manager prior to lodging such a protest. The \$50 accompanying the protest will be retained by the carnival Information Officer if the protest is deemed frivolous or if the centre has been advised by the carnival Information Officer that it is not a valid protest and the centre still chooses to submit it.
- iv. a. Photographic and/or video evidence from outside the arena will never be used by a Referee to make a decision on a protest (for track or field).
b. To arrive at a fair decision, the Jury of Appeal only, may consult all available evidence including video evidence however, video will not be considered for any breaches of technical rules for Race Walking.
- v. The appropriate Referee may decide on the protest or may refer the matter to the Jury of Appeal.
- vi. There shall be a right of appeal to the Jury, which must be lodged within 15 minutes after notification of the decision. The Appeal must be in writing and lodged in accordance with the above.
- vii. Where a protest involves disputed finish line placing, Team Managers of athletes involved may view the finish line video/photofinish solely for the purpose of ensuring that athletes are correctly identified.
- viii. When a protest is lodged, the name of the protesting centre and the reason for the protest is to be announced.
- ix. Two types of reasons only shall be announced - either on a technicality or on the judges' decision.
- x. The Jury of Appeal will consist of a minimum of 3 people. A panel of 5 to 7 must be named prior to the commencement of the carnival and communicated within the carnival documentation. A minimum of 3 people will be selected from that group to act as jury as required. The makeup of both the initial panel and the Jury of Appeal will be determined by the following: - a. Zone Championships – the Zone Coordinator (or their appointee) b. Region Championships – the Region Coordinator (or their appointee) c. All State Championships and/or Carnivals – the LANSW Head of Competition (or their appointee) Those directly involved in the Appeal are ineligible to sit on the Jury of Appeal.
- xi. Protests concerning the status of an athlete to compete in a carnival must be made prior to the commencement of such carnival, to the Jury of Appeal. If no jury has been appointed, then to the Referee. If that matter cannot be settled satisfactorily prior to the carnival, the athlete shall be allowed to compete "under protest".
- xii. On-Field Protests (Field Events Only) If an athlete in the U12-U15 age groups makes an immediate oral protest against having an attempt judged as a failure, the Referee and/or Chief of the event area, at their discretion, order that the attempt be measured and the result recorded, in order to preserve the rights of all concerned. At the end of the round, the Referee will adjudicate on the protest.
