with Peace and Goodwill in mind at this time of the Year
 Let's leave the teasers and ponder on these sayings.....

we have learned to rush: but not to wait
 we have learned how to make a living : but not a life
 we have added years to lives: but not life to years
 we conquered outer space: but not inner space
 we have been to the moon and back, but have trouble
 crossing the road to meet a new neighbour
 we have built computers to hold more information,
 to produce more copies: but have less conversation.

Merry Christmas
