WALLSEND RSL LITTLE ATHLETIC CENTRE

[NEWSLETTER NO 1 2019-2020](#)

[9th September 2019](#)

WELCOME BACK to all our athletes from last year and a BIG WELCOME to all athletes joining us this year! Our Club is hoping for a great year of athletics.

REGISTRATIONS

All Little Athletes must register online - if having trouble see the Officers at the table.

Seniors are requested to register on line, but can also submit a completed form which is available at the clubhouse table.

Currently there is a problem with the ANSW Computer System and it won't let us open the port for online registrations (hopefully today we will have this sorted out).

A more detailed [information pack](#) is available on the website for download. Highly recommended for new members.
