Additional Information

The Information Desk will be located outside the Meet Room next to the Medals area. All team managers must sign on at Information before the start of competition. Protests will only be accepted from your club's designated team manager. If you have any concerns over the weekend, please see your club Team Manager in the first instance. To minimise congestion in the grandstand area, clubs are encouraged to set up tents on the grass area for their athletes to sit under when not competing.

There will be no setting up on front of the Meet Room or on the grass area at the finish line.

Spectators must not enter the competition area. Only Officials and event volunteers to be within the field of competition at any time. Athletes and spectators to keep off equipment unless at an event.

FOOTWEAR:

- To maximise performance and prevent damage to the surface, athletes must not use sharp spikes that will penetrate the surface. The only spikes permitted for use on the track are of the Christmas Tree and Pyramid shape variety as pictured below.
- All Volunteers need to wear enclosed footwear when helping and any event over the course of the weekend.

ONLY CHRISTMAS TREE OR PYRAMID

For all training and competitions, the spikes must conform to the below rules:

- Track spikes must not exceed 7mm .
- Field spikes must not exceed 9mm except for javelin and high jump which must not exceed 12mm.
- Hirers should appoint an official to examine the quality and length of spikes worn by competitors. .
- Announcements should be made to competitors with spikes to report to this official.
- Rubber soled running shoes are acceptable.

Sun Safety

An infographic titled "SUN SAFETY" with a blue header and yellow body. It features a smiling sun, a tube of SPF 30 sunscreen, a brown hat, and a beach umbrella. The text is organized into four sections, each with a checkmark icon and a bold heading.

SUN SAFETY

-  **COVER UP**
Wear clothing that covers your skin.
-  **APPLY SUNSCREEN**
SPF 30 or higher, 20 minutes before sun exposure. Reapply every 2 hours.
-  **WEAR A HAT & SUNGLASSES**
Broad-brimmed hats provide better protection and make sure your sunglasses block both UVA and UVB rays.
-  **SEEK SHADE**
Reduce UV radiation by taking shelter under a tree, umbrella or another shady spot.
